1. DD/A discussed with Colonel Grogan and myself the call he had received from Assistant Secretary of Defense Coolidge, asking whether we desired an observer at a meeting Mr. Coolidge was holding this week with members of the staff of the Senate Judiciary Committee, who are investigating conditions in the maritime unions. After some discussion it was generally agreed that CIA should stay as far away from this meeting as possible, and [] to inform Mr. Coolidge.

2. Colonel Grogan informed me that I was to take no steps in connection with quashing the DCI's subpoena to appear before the House Un-American Activities Committee on 13 October. Colonel Grogan further stated that he himself did not know what steps, if any, were being taken, but that both of us were completely free of any responsibility at this time.
